

Why does it look like my student has no grades? How can I find out the assignment score? Or if they are missing an assignment?

Currently, when logging into the gradebook you will see this screen, which is a summary of your student's grades:

Period	Course Title	Resources	Room Name	Teacher	Quarter 1
1					3.1 (3.1)
2					2.6 (2.6)
3					3.0 (3.0)
4					3.0 (3.0)
6					2.4 (2.4)
7					2.9 (2.9)
8					2.9 (2.9)

When you select a class to look at more closely, it directs you to the standards view, which is an overview by standard of your student's grades:

Subject	Standard	Mark	Note	Performance Indicator
DLP, PR, TECH [expand all]	▶ PR: Work Completion/Effort
