

First Quarter report cards are now live. At the middle school level, report cards are sent electronically to parents. Your report card will be in your ParentVUE account under the Report Card section on the left hand side of your screen. In order to receive a report card for your child, you will need to have an activated ParentVUE account for your child.

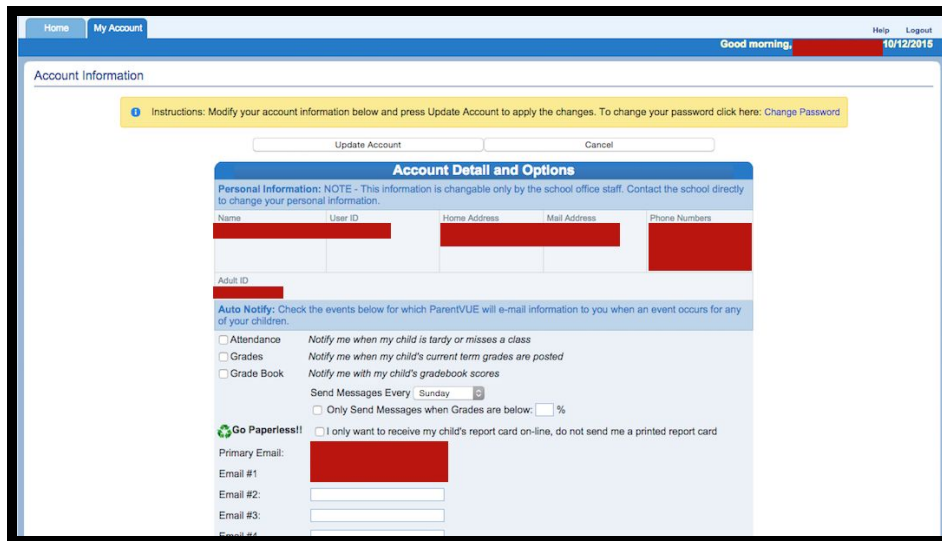

- For parents who do not have an activated ParentVUE account, please contact the front office at (520) 209-8200 to get your registration information.
- For parents who have an activated ParentVUE account and cannot get logged in after registering, please contact Orange Grove’s CTI, Stephanie Olson, solson@cfsd16.org.

Register to Receive a Report Card:

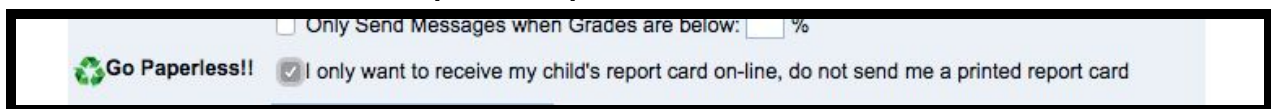

Login to your **ParentVUE** account.

Click on the **“My Account”** tab in the upper left hand corner.

Find the **recycling icon** and check the statement, **“I only want to receive my child’s report card on-line, do not send me a printed report card.”**

To View Your Child's Report Card in the Report Card Tab:

Click back on the **Home** Tab in the upper left corner and then locate the **Report Card** Tab.

This is where you **will** see an overview of your child's report card. For a more detailed version, click on the statement **"Click here to view report card for Quarter 1"**.

The screenshot shows the ENVISION 21 DEEP LEARNING website interface. The 'Home' tab is circled in red. The 'Report Card' tab is also circled in red. A red arrow points to the link 'Click here to view report card for Quarter 1'.

REPORTING KEY	
4.0	Highly Proficient: Student takes initiative to exceed expectations; consistently produces outstanding work and demonstrates an advanced level of understanding, applying and transferring advanced skills and complex thinking into new contexts. Student is independent and self-regulated in extending the learning process and usually exceeds assignment requirements.
3.0	Proficient: Student produces work that meets expectations; frequently produces work of high quality, successfully demonstrating mastery of the content (skills/concepts) in the district curriculum standards. Student regularly applies thinking skills and learning strategies and meets assignment expectations.
2.0	Partially Proficient: Student demonstrates a basic working knowledge of the content (skills/concepts) in the district curriculum standards; produces satisfactory work and usually applies skills/concepts correctly. Progress is evident in applying thinking skills and learning strategies. Student meets minimal assignment expectations.
1.0	Minimally Proficient: Student is performing below expectations in the district curriculum standards. With help, the student demonstrates partial understanding of the basic skills/concepts. There is limited progress in applying thinking skills and learning strategies. Student usually does not meet assignment expectations and seldom produces work of satisfactory quality.
