In case of emergency, our procedure will be to contact the parent. If we are unable to reach the parent, the seriousness of the problem will dictate the course of action to be taken:

1. The person you designate may be asked to care for your child.
2. In accordance with district policy, the school nurse, principal, or authorized designee shall call an emergency medical service if it appears hospital treatment may be required. In the event the paramedics are called and emergency transportation is advised, the individual patient shall be responsible for the cost.

Do you give your consent for your child to be taken to the closest hospital by ambulance if necessary, and emergency care be provided in the event you cannot be reached?

Yes _____ No_____ Hospital Preference: _____

Do you give your consent to share relevant health information regarding your child with appropriate school / and or emergency personnel as necessary? This would include permission for communication between the health provider and school nurse to facilitate this process.

Yes _____ No_____
